**Meeting Report**

At this month's meeting, we reviewed the most recent draft of Connect Cards. Homework from September's meeting was compiled and reviewed by Jim Piech. At this meeting we did a final check of language and order. Our draft of Connect Cards is now ready to be sent to the necessary parties for graphic design.

Our November Meeting, we will review our script for announcements regarding the new connect cards and create prompts for videos that explain the new system and why its important.
