Andy facilitated check in with each member.

Andy shared about attending Annual Conference and the election of new bishops.

Initial discussion of survey results:

- Approximately 400 surveys distributed with approx. 60 responders
- Recognized that data report is in draft form and will be revised for reporting and analysis
- Noted that majority of responders have been members 20+yrs
- Those familiar with the Mission/Vision statements were different than those who accurately identify which is which: Quarter of respondents didn't know which was correct statement

Clarification of next steps to analyze data –

- Identify correlations to study member, age and years (Becky)
- Compilation of individual words from #8 and comments #15 (Barb)
